

# Collegiate Entrepreneur Career Connections

On Wednesday, October 29, join 30 successful Indiana entrepreneurs to learn about how they are building their companies. Discover how you may be the “perfect fit” to join them in growing their businesses, today or in the future.

The event is open to all undergrad and graduate students from Indiana colleges, universities and technical schools. There is NO COST to attend but you must register.

**Wednesday, October 29**

**Marriott Downtown Indianapolis**

350 W Maryland St.

**11:30 – 12:00 Registration and signing up for Speed Networking**

Speed Networking - sign up for a 10 minute appointment to speak with representatives of the companies in which you might be interested in working

**12:00 – 1:00 Luncheon with keynote speaker Dr. Gary Anderson**

Gary Anderson is a retired Managing General Partner and now Senior Advisor of TL Ventures (Wayne, PA) one of the venture capital industry’s most prestigious technology investment groups. TL Ventures manages over \$1.5 billion of invested capital targeting multiple focused technology areas. As part of TL Ventures, Dr. Anderson has helped to guide more than 30 companies through successful initial public offerings (IPO’s), mergers or acquisitions.

**1:00 -3:00 Networking with host company executives and Speed Networking**
